MEETING 6:45 p.m. (doors open at 6:30)

at Oakwood Village

Nakoma Room

Zoom, as well. Watch for a link in your email.

Heather Winslow and the Theo Moorman Technique

The Theo Moorman technique is an imaging technique using a tie-down warp of finer threads than the regular warp, and a weft the same as the warp, and a pattern weft.

The pattern weft is tied down to the surface of the cloth, it does not appear on the back of the cloth. Wonderful tapestry-like imagery can be woven using a regular loom (floor or table) and even a rigid heddle loom.

Directions to Oakwood Village meeting space:

Oakwood Village is located on Mineral Point Rd. in Madison. Turn south on Island and take the drive to the left. Go past the Resale Shop and park in the visitor parking. The

Nakoma Room (next to the Westmoreland Room) can be found by entering the Heritage Oaks Building and After parking, walk to the Main Entrance (see red line on map below). After entering, go immediately to the right past the front desk to the Nakoma room. There is limited parking in front of the Heritage Oaks building.

The Woolery and Halcyon Yarn Guild Member Reward Programs

Shopping can benefit the Guild

Perhaps you have a new resolution for this year that you will not stock up on yarn, but if you find you need to restock some of your favorites, please consider using our website (www.madisonweaversguild.com) if you will order from the **Woolery or Halcyon Yarn**. Both of these sources return a percentage of your order to our guild. The links are on our resources page. If your item's cost compares favorably on either of these sites please follow the instructions with the logos on the resources page.

Woolery discounts and shipping: If you order \$100.01 or more select "Flat Rate" shipping option and your shipping is free (see their website for exceptions). Yarn discounts are \$150 or more and get 10% off or \$300 and get 15% off. If you order enough yarn to get the 10% discount with the free shipping, this is a decent discount.

Halcyon sells many kinds of fiber; they have their own signature yarns, high quality heavy rug wools and UKI fiber in many colors. Discounts are available when you buy in quantity. This is place to shop if you are looking for a rich color palette and for yarns that are not available in other shops.

MADISON WEAVERS GUILD

INVITATION TO JOIN 2023-24

The Madison Weavers Guild welcomes, as a member, any person interested in weaving and fiber arts.

Meetings and the monthly programs are the **third Monday of the month**, September through May. Members are sent a monthly newsletter, for our meeting months, that includes program announcements, reports on general guild activities, notices for interest groups, sales opportunities information, occasional swatches, listing of local yarn and weaving supply stores, and classifieds. Other advantages to members are the membership directory, eligibility for participation in sales, membership rate for workshops, social events, and perhaps most important -- the enthusiasm, support and sharing of fellow members.

The membership year begins in September, dues are due by the end of September or a late fee will be required.

Please fill out this form and bring it and your check (**payable to Madison Weavers Guild**) to a meeting or mail them to: Patti Tesdal
